O R D E R:

In the high level meeting held on 30.12.2014, the issue of management of many precious vacant parcels of Government land located in various prime areas scattered throughout the State particularly in urban areas and important High way junction was discussed. The land parcels are of various sizes and shapes and some of these land parcels are not required for any immediate public purposes and due to prime location of these parcels they are prone to encroachments and unauthorised possessions.

2. It was therefore proposed in the meeting that these land parcels should be disposed off by way of open public auctions duly notifying the same.

3. Whereas, as per the land allotment policy issued in the reference 1st read above and adapted as applicable to the State of Telangana vide reference 2nd read above, the Government lands should not be auctioned for resource mobilisation.

4. Government, after careful examination of the matter and to avoid possible encroachments, in relaxation of Clause 3(a)(v) of the policy guidelines in the reference 1st read above hereby permit for disposal of Government land parcels which are not required for any public purpose and cannot be kept idle for encroachments located in various prime areas scattered throughout the state by open public auction by notifying the same.
